

OUTLINE OF REPORT ON VIETNAM MARINE PRODUCT EXPORTS(2015- 2019)

CATEGORIES	CONTENT
I	GENERAL OVERVIEW
II	CAPTURE PRODUCTION
III	EXPORTS
1.	Overview on exports of marine products
2.	Marine products for exports (Tables, figures of structure of marine products, analysis)
3.	Importing markets of marine products (Tables, figures, structure of importingmarkets of marine products, analysis)
4.	Tuna
	4.1. Structure of tuna products (Tables, figures of structure of tuna products, analysis)
	4.2. Markets (Tables, figures of structure of markets, analysis)
	4.3. Mainmarkets
	The EU market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The US market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The Japanese market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	Other potential markets
	4.4. Top largest tuna exporters in 5 years
5.	Cephalopods
	5.1. Structure of products (Tables, figures of structure of cephalopod products, analysis)
	5.2. Markets (Tables, figures of structure of markets, analysis)
	5.3. Main markets
	The Korean market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The EU market (table, figure on exports in 5 years, structure of products, average

	price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The ASEAN market(table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The Japanese market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	Other potential markets
6.	Bivalve Mollusk
	6.1. Structure of products (figures of structure of products)
	6.2. Markets (Table of importing markets-analysis)
	6.3. Main markets
	The EU market(table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The US market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The Japanese market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
7.	Crab and other Crustacean
	7.1. Markets (Table of importing markets-analysis)
	7.2. Main markets
	The EU market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The US market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The Japanese market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	Other potential markets
8.	Surimi
	8.1. Markets (Table of importing markets-analysis)
	8.2. Main markets
	The Korean market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The EU market(table, figure on exports in 5 years, structure of products, average

	price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The ASEAN market(table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
	The Japanese market (table, figure on exports in 5 years, structure of products, average price, top exporters in 2019 and Jan-Aug 2020, analysis)
IV	IMPORTS
	Imports of marine products into Vietnam from suppliers in 5 years (2015-2019)
V	IMPORT DUTY OF SOME MAIN MARINE PRODUCTS TO MARKETS (by HS code)
1.	The Chinese market
2.	The EU market
3.	The South Korean market
4.	The Japanese market
5.	The US market
VI	PLAN AND FORECAST FOR 2021
1.	Capture production
2.	Opportunities – Challenges and forecast on exports to markets
	2.1. Opportunities – Challenges for marine product sector
	2.2. Tuna
	2.3. Cephalopods
	2.4. Bivalve Mollusk
	2.5. Crab and other Crustacean (Crabs)
	2.6. Surimi
	2.7. Total marine products
